

GETTING HERE:

Our address is Quinta Das Abelhas, Cortico, 6370-031. We are based in the Guarda district, north west of the Serra Da Estrela. If you put this address in your Sat Nav it will **NOT** get you to the Quinta but to the nearest village Cortico.

■

There is a sign for Quinta Das Abelhas at the entrance next to a cork bee hive.

PARKING

When you enter, the car park is immediately to your right. For the campavan area continue a little further down the track and the area for vans is on the right. Each area is signposted - P Entrada for car park, and Campavans.

You can take your car down the full track to off load if you are staying and then return the car to the carpark.

Airport: Nearest airport is Porto, getting to the land is either through car hire (a lot cheaper in Portugal), bus or train. If you wish to fly to Lisbon let me know, it is as easy as getting here with public transport as from Porto, but longer by car.

BY CAR

There are multiple hire companies at reasonable prices, just google. It will take approx. 2 hours by car from the airport. The easiest would be to connect with others and share the car hire.

Once you drive into Fornos De Algodres, drive up the mountain roads to the village of Algodres. Drive through the top road of Algodres. On this road you will continue to Cortico, you will pass a sign to Cortico village on the right, **do not follow this sign**. Instead continue on this road and within approximately 1,500 metres you will see a brown sign on the right side of road for Dolmen Cortico, turn left here. You will pass a concrete building and an apple orchard on your left, after this continue straight. The road then curves left and you will then see the sign for Quinta Das Abelhas on the left.

Bus:

Nearest bus station is Fornos De Algodres (4 hour journey), slightly further from the land is Celorico Da Beira (3 hour journey), quickest stop is to Viseu (2 hour journey). There are two bus companies:

<https://www.flixbus.com/>

Train: The nearest train station is Fornos De Algodres. For timetable: <https://www.cp.pt/passageiros/en/train-times>. The train to Fornos is 4 or 5 hours pending train you catch. This is the longest way to get here.

For out of city train and bus, transport leaves from the metro Campanha. From Porto airport, take the purple Metro line to Campanha (second stop from the end of the Estádio do Dragão line). It takes 45 minutes to get to Campanha from the airport

If arriving into the these stops we will need to organise collection lifts/taxis as people arrive.
